OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 15 February 1972

25X1 1. (Secret - JMM) Accompanied the Director and Messrs. [redacted] 25X1
Carver, [redacted] to a briefing of the Defense Subcommittee of
Senate Appropriations Committee. See Memo for Record.

25X1 2. (Confidential - JMM) [redacted] and I lunched with Bill
Woodruff, Counsel, Senate Appropriations Committee, who said that as
soon as the Director felt he was settled into his responsibilities as "Tzar"
of the intelligence community they would like him to appear before the
Intelligence Subcommittee to discuss community budget matters. He said
they would not expect him to have exercised much of his new authority regarding
the FY 1973 budget for the other agencies, but they would be interested in
knowing his plans for coping with the FY 1974 budgets of these agencies.

3. (Confidential - JMM) Carl Marcy, Staff Director, Senate Foreign
Relations Committee, called to say that he had learned from an RFE official
of a classified study prepared by the Agency estimating the costs and problems
of terminating our Radios. He said he wondered whether it would be possible
to get a look at this study, parts of which had already been quoted by the RFE
representative to the Committee, and he said they would be glad to handle it
on a classified basis. I said I would look into it.

4. (Unclassified - JMM) Talked to Jane Havlicek, in the office of
Representative Barry Goldwater, Jr., regarding his interest in visiting the
Agency. She said his schedule was extremely tight and they would have to call
me back, probably to arrange a breakfast meeting a few weeks hence.

5. (Unclassified - GLC) Hand-carried to Miss Janet Harris, on the
staff of Senator John Tunney (D., Calif.), a suggested reply and backup
material for a response to an inquiry the Senator had received from Antony C.
Sutton on the allegations that Chou En-lai was involved in the massacre of a
family of six in the early 1930s. Miss Harris was most grateful for our
assistance.

6. (Secret - RJK) Delivered to Edith Jack, JCAE Staff, 25 copies
(nos. 6-30) of the Director's prepared statement for his briefing of the
Committee tomorrow.
